

Aerial Targets

Aerial Targets can be secured at a predetermined point of reference to mark a target position for a fly-over. These stitched, 4 Mil PVC targets are manufactured with reinforced grommets in each corner, used to secure the marker to the ground.

Colors Available: Black & White ONLY

Size: 48"x48"

Patterns Available:

Bullseye *(shown above)* Part#: **AT-4848-BE**

OR

*IronCross *(not pictured)* Part#: **AT-4848-IC**

**denotes a non stock item and would be considered a special order item*
